BBB INDUSTRIES RELEASES 23 REMY® NEW PART NUMBERS COVERING 9.5 MILLION VEHICLES

DAPHNE, ALABAMA: – BBB Industries, LLC, a remanufacturing leader in the automotive aftermarket, released 23 SKUs to the Remy® brand of starters and alternators.

“The additions cover more than 9.5 million vehicles in operation and are the result of our constant research and development of new applications to provide our customers with the most comprehensive selection available to grow their businesses,” said Matt Heater, Rotating Electric Director of Product Marketing and Product Management. “The continuous addition of new numbers is another reason why Remy® is considered the trusted brand of automotive professionals”.

BBB Industries, LLC is an industry leader in the remanufacturing of starters, alternators, hydraulic and air disc brake calipers, both hydraulic and electronic power steering products and turbochargers for the OEM, passenger and commercial vehicle aftermarket industries and specialist in the rubber, metal and rubber-to-metal auto parts sector. Founded in 1987, BBB Industries, LLC is a private company and a portfolio company of Genstar Capital, headquartered in Daphne, Alabama. Please see www.bbbind.com for more information.
